What a day for daydreamin' fans

BY STEPHEN MCCLUNG

Homecoming festivities for American Idol Jason Castro began with a parade featuring Jason and his family May 29, and included a concert at The Harbor on Lake Ray Hubbard.

Jason made a grand entry to the Har-

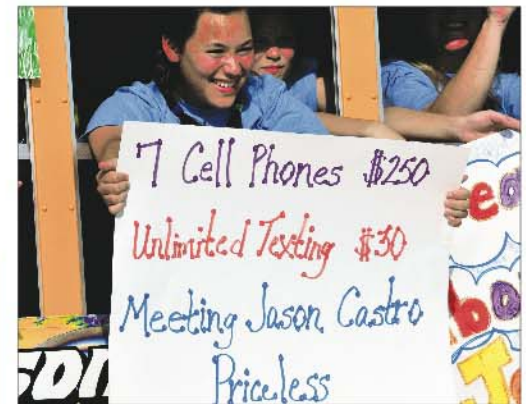

bor's outdoor amphitheater aboard Seawolf, a catamaran owned by Capt. Scott Self. An estimated 15,000 fans screamed Jason's name.

In addition to "Daydreamin' Boy" and "Somewhere Over the Rainbow," Jason performed an original song he "hopes will make it on the album." He delighted fans by closing with "Deep in the Heart of Texas" on ukulele.

A private reception followed at The Hilton Bella Harbor.

Stephen McClung is a Heath resident.
